

BOARD MEMBER DESCRIPTION

The mission of Plants and Blooms Reimagined is to facilitate the accessibility of therapeutic horticultural engagement for vulnerable communities in the DC area to achieve enhanced wellbeing. As the highest leadership body of the organization, the Board is responsible for:

- Knowing the organization's mission, policies, programs, and needs as well as understand its collective purpose.
- Serving as active advocates and ambassadors for the organization.
- Selecting, supporting, and evaluating the performance of the chief executive.
- Strategic and organizational planning.
- Fully engaging in identifying and securing the financial resources and partnerships necessary for the organization to advance its mission.
- Leveraging connections, networks, and resources to develop collective action to achieve the organization's mission
- Giving a meaningful personal financial donation.
- Helping to identify personal connections that can benefit the organization's fundraising and reputational standing, and influence public policy.
- Preparing for, attending, and conscientiously participating in board meetings.
- Participating fully in one or more committees or task forces.
- Engaging in learning opportunities to better understand and respect the lived experiences of the communities the organization serves.
- Respecting the experiences of all who bring their voices and lived experiences into the boardroom and the organization.
- Assessing its own performance as the governing body of the organization

•Ensuring legal and ethical integrity in all doing, expected to work in collaboration with executive leadership and all other stakeholders
